FENESTRATION BAU CHINA 2024

FENESTRATION BAU CHINA (FBC for short) was founded in 2003. After 21 years, it has become the largest and most professional exhibitions of windows, doors and facades system solutions in the Asia-pacific region.

FBC is one of the most important exhibitions of BAU CHINA, which represents the Germany's BAU network in China, and will be held concurrently at the same venue as RealTech Expo (RealTech), China Architectural Design Expo (CADE) and China Roofing & Waterproofing Expo (R&W), with the view to linking up the commercial route of the whole building cycle ranging from real estate development, architectural design, construction to building material solutions, and presenting the perfect opportunity for enterprises in the architectural ecosystem to deliver marketing and commercial cooperation beyond their own spheres.
